

# IMPORORTANT!!!!

Before installing this scenery delete LPMA- MADEIRA AIRPORT by ASOBO STUDIO  
addon from the content manager to avoid conflicts!

To do this go to *PROFILE --> CONTENT MANAGER* type LPMA and delete **LPMA-  
MADEIRA AIRPORT by ASOBO STUDIO**

The screenshot shows the Microsoft Flight Simulator Content Manager interface. The 'CONTENT MANAGER' tab is active, and the search bar contains 'lpma'. Three results are found. The first result, 'LANDING CHALLENGE - STRONG WIND - LPMA FUNCH' by ASOBO STUDIO, is not installed. The second result, 'LPMA - MADEIRA INTERNATIONAL AIRPORT' by ASOBO STUDIO, is installed (version 0.1.58, 19.49MIB) and is highlighted with a red box. The third result, 'MADEIRA CRISTIANO RONALDO INTERNATIONAL AIRP' by AMSIM, is installed (version 1.0.0). A red arrow points from the third result to the 'DELETE (19,49MIB)' button at the bottom right. The bottom left shows 'SPACE USED: 86,64GIB' and '1 ITEM(S) SELECTED'. A 'GO BACK' button is at the bottom left.
