- Initial MSFS release

### 28<sup>th</sup> of August 2021 – V1.01

- Improved Ground Services
- Reduced Tree Height at Cape Byron

## History

Ballina Airport was formally opened in 1986 and is located in the heart of the Northern Rivers, just 5 mins from Ballina and less than 30 mins from Byron Bay. In 2005 Ballina Airport was renamed Ballina Byron Gateway Airport in a bid to attract more people to the area.

Today Ballina Byron Gateway Airport is the 5<sup>th</sup> busiest regional airport in Australia catering to 537000 passengers in 2020 with flights being operated by Qantas, Jetstar, Virgin Australia, Qantaslink, Rex and FlyPelican.

The airport has a strong GA presence with a number of local operators offering Flight Training, Charter Flights and Maintenance Facilities. Ballina is also known for some unpredictable winds on short final, with just one 1900m runway you'll be sure to have some interesting approaches.

## About the Airport

Welcome to **Ballina Byron Gateway Airport (YBNA)** V1.0 for Microsoft Flight Simulator 2020!
