

KPWK

A Comprehensive Parking Guide For
KPWK's FBOs, Private Hangars, Flight
Schools and Transients

KPWK FEATURES

100
PARKING SPACES

3
FBO's

6
INTERIOR HANGAR SPOTS

KPWK has traditionally maintained a clean look when it comes to parking. Due to the high amount of Fortune 500 companies in the area there are numerous hangars dedicated to maintaining and storing corporate fleets.

KPWK Parking Guide

NE Ramp

Parking

1-4

Small GA Parking

These are private, leased hangars suitable for small aircraft parking.

All parking spots are in hangar with open doors, requiring pushback before start.

N Ramp

Parking

1-6

Transient And Corporate Aviation Parking

This area is home to the Atlantic Aviation FBO and ATP Flight school.

All parking is geared towards small-large transient and corporate aviation. There are no open hangar parking spots in this area.

W Ramp

Parking

1-4

Corporate Aviation Parking

Home to Priester Aviation, a corporate charter company based at Chicago Executive.

All parking is apron only.

E Ramp

Parking

1-20

Transient And Corporate Aviation Parking

Most parking spots are for privately managed corporate fleets. For example; Cancer Centers of America, Henry Crown Company and MJB Tri Motor. Charter service N-Jet maintains a large presence on the north side of this area.

The well known global FBO company, Signature Aviation provides transient service for corporate and light aircraft.

SE Ramp

Parking

1-62

Various parking sizes.

This is the largest collection of parking spaces on the field. The first of two Hawthorne FBO hangars sits on the North side of runway 6-24. Multiple spaces are available for GA aircraft as well as parking for Windy City Aviation, a local training facility. Much of the parking is in a convenient pull in pull out set up.

Hawthorne also operates a maintenance hangar on the South side

SW Ramp

Parking

1-4

Mainly Small GA Parking

Much of the parking here is dedicated to a few of the training academies located at KPWK. Spots for FlyThere and Leading Edge Flying Club can be found here.
