PORTO

Microsoft *Flight Simulator*

Welcome to Porto, the second-largest city in Portugal!

Located along the Douro River estuary in northern Portugal, Porto is one of the oldest European centres, and its core was proclaimed a World Heritage Site by UNESCO in 1996, as "Historic Centre of Porto, Luiz I Bridge and Monastery of Serra do Pilar". The airport is located 11 km (6.8 mi) northwest of the Clérigos Tower in the centre of Porto, in the municipalities of Maia, Matosinhos and Vila do Conde and is run by ANA – Aeroportos de Portugal.

The airport is currently the second-busiest in the country, based on aircraft operations; and the second-busiest in passengers, based on Aeroportos de Portugal traffic statistics, after Lisbon Airport and before Faro Airport.

The airport is a base for easyJet, Ryanair, TAP Air Portugal and its subsidiary TAP Express.

Support

Product support is available by filling a support ticket:
